

AFSPC Contracting Commander Briefing

**19 Nov 03
HQ AFSPC/IGISL
Maj Lloyd
Blackmon**

Overview

- **Results**
- **Trends**
- **Strengths/Best Practices**
- **Observations**
- **Inspection Road Ahead**

Last 18 Months Results

- **8 ORI/CIs**
 - **1 Outstanding**
 - **5 Excellent**
 - **2 Satisfactory**
- **Contracting squadrons are supporting the operational wings in a superb manner**
- **CSAIs**
 - **Keep SOWs updated, watch QA paperwork**

Trends

- **PNMs**
 - **Use of the command checklist is lacking**
 - **Fair and Reasonable Determinations are weak**
 - **COs must ensure these “paint a picture”**
- **BRAGS**
 - **Do them regularly/document “active mgmt”**
- **GPC**
 - **Watch audits, training, overall mgmt**

- **UDM duties**
 - **Adjust weapons/ammo/baggage accounts according to what your IDO has approved for your UTCs**
- **Market Research**
 - **Document not just for large dollar buys**

Strengths/Best Practices

- **Newcomer CD**
- **Training IDPs (fitness, contingency)**
- **Super CO**
- **341 CONS/45 CONS Training**
- **Contingency Kits/CCOs**
- **Documentation of files over SAT**

Observations

- **Practice ATSO activities (Weapons, SABC)**
- **Keep an eye on mobility folders (Especially DD Form 93, weapons training, chem warfare training, warrants, SGLI)**
- **Watch QA related documentation**
 - **Appt letters, phase I/II training, surveillance**

Observations

- **AFSPCCL 64-4 is just a guide for the IG team**
- **While prepping, don't forget misc squadron requirements (voting, orderly room (family care plans, leave reconciliation, file plans), AT/FP)**
- **Read old reports**

Inspection Road Ahead

- **No-Notice ORI/CIs Starting Jan 04**
 - **30 days notice**
- **4 Years Between CIs**
 - **Emphasis on self-inspection (SI)**
- **ORIs every two years with asterisked critical item and SI program examination**
- **No CSAIs, CSAI-like activity combined with ORI/CI**
